

Welcome
to

"One of the very important characteristics
of a student is to question. Let the
students ask questions."

- Dr. APJ Abdul Kalam

SchoolingKey offers a wide range of ONLINE & CLOUD-based School Management Solutions

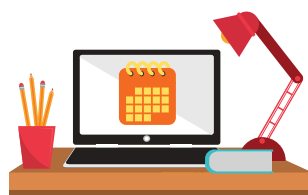

5 years of experience in Software Development and more than 100 satisfied users made it to build one of the most feature pack software for educational organisations.

It is not an easy to manage a school. There are hundreds of tasks and activities for both the teachers and the students that make it difficult to execute. SchoolingKey brings all the major activities into a single platform where you can manage them in single click. Get teachers, students and parents on the same way with customized dashboards and keep in track through email/mobile notifications.

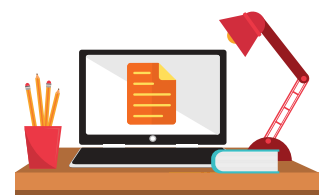

Choose the only software you need

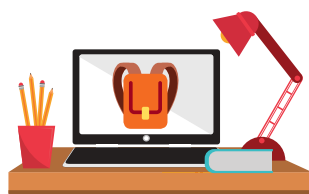

All-in-One
School Management System

Time Table
Management System

Report Card Software
(CBSE/ICSE/State)

Student Registration
System with Profile Details

Fees Management
with Payment Gateway

Offline !!...

No Problem 😊

We got it covered

Whether you have gone offline while using any of our software, just continue your work. We take the responsibility and assure all your data to be synced and saved automatically whenever you will be online.

Get administration off your back

- ✍ Teachers, students & parents details from a single window.
- ✍ Plan and check out the academic calendars.
- ✍ personalized timetables for organising activities and more.
- ✍ Interact with the help of everyday task lists and reminders.
- ✍ Provide the study materials, assignments online.
- ✍ Track attendance, schedule tests, publish events and magazines.
- ✍ Students/Parents online access with in-built email and push notifications.
